What you should know

- **Plan type:** Aetna Medicare Assure Plan (HMO-POS D-SNP) is a D-SNP plan. This is a Medicare Advantage plan that covers prescription drugs.
- **D-SNP information:** Our D-SNP is for people on Medicare who are also eligible for some level of Medicaid assistance. It replaces your Original Medicare coverage. You'll still have Medicare, but you'll get it through us, instead of the federal government. We cover everything that Original Medicare covers and we provide additional benefits and services too.
- **Primary Care Physician (PCP):** A PCP is important to help coordinate your care. We require you to select a PCP. When you enroll, we'll ask who your PCP is. If you don't tell us, we'll assign one to you. You can change your PCP anytime by calling us or logging into your member portal.
- **Referrals:** Aetna Medicare Assure Plan (HMO-POS D-SNP) doesn't require a referral from a PCP to see a specialist. Keep in mind, some providers may require a recommendation or treatment plan from your doctor in order to see you.
- **Prior authorizations:** Your provider will work with us to get approval before you receive certain services or drugs.
- **Contact information:** To get more information about some benefits, please see the Contact quick reference chart at the end of this document.
- **Provider directory:** View your provider directory at [AetnaMedicare.com/H5793-020](https://www.aetna.com/H5793-020).

Pre-enrollment checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-833-859-6031 (TTY: 711)**. From October 1 to March 31, you can call us 7 days a week from 8 AM to 8 PM local time. From April 1 to September 30, we're here Monday through Friday from 8 AM to 8 PM local time.

Understanding the benefits

- The *Evidence of Coverage* (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit [AetnaMedicare.com](https://www.aetna.com/medicare) or call **1-833-859-6031 (TTY: 711)** to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

Understanding important rules

- Effect on Current Coverage. If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month. The Part B premium is covered for full-dual members.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2025.
- Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for certain covered services, the provider must agree to treat you. Except in an emergency or urgent situations, non-contracted providers may deny care.
- This plan is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.
