# Understanding drug payment phases

<p>Up to <b>\$545</b></p>	<p><b>Deductible phase</b></p>	<p>During this phase, you'll pay the plan's negotiated drug cost up to the deductible limit. SilverScript Plus has a \$200 deductible for drugs on Tiers 3 – 5. SilverScript SmartSaver has a \$280 deductible for drugs on Tiers 2 – 5. SilverScript Choice has a \$545 deductible on all five tiers.</p>
<p><b>Once you reach the deductible limit, you'll pay a copayment or coinsurance in the initial coverage phase.</b></p>		
<p>Up to <b>\$5,030</b></p>	<p><b>Initial coverage phase</b></p>	<p>During this phase, the plan will pay its share of the cost and you'll pay a copayment or coinsurance (your share of the cost) for each prescription you fill until your total drug costs reach \$5,030.</p>
<p><b>Once you reach \$5,030, you'll enter the coverage gap phase or "donut hole."</b></p>		
 <p>Most people will remain in this phase.</p>		
<p>Up to <b>\$8,000</b></p>	<p><b>Coverage gap phase</b></p>	<p>(Also known as the donut hole.) During this phase, you'll pay 25% of the cost for generics and brands. Our SilverScript Plus plan offers additional coverage in the gap for Tier 1 and Tier 2 drugs. This phase continues until your yearly out-of-pocket drug costs reach \$8,000.</p>
<p><b>Once your yearly out-of-pocket costs reach \$8,000, you'll move to catastrophic coverage.</b></p>		
 <p>Some people will move into this phase.</p>		
<p>Through the end of the year</p>	<p><b>Catastrophic coverage phase</b></p>	<p>You pay \$0 for all Part D covered drugs during this phase. You pay \$0 (Tier 1 and Tier 2) at preferred pharmacies and \$5 (Tier 1) and \$10 (Tier 2) at standard pharmacies for excluded drugs covered under the SilverScript Plus plan's enhanced benefit.</p>
 <p>Few people will reach this phase.</p>

## Ways to enroll

### Online

This method is the easiest and quickest way to apply. Visit [AetnaMedicare.com](https://www.aetna.com/medicare) or [Medicare.gov](https://www.medicare.gov).

### By telephone

If you want to talk to one of our friendly customer representatives or licensed agents from the convenience of your home, we can be reached at 1-833-526-2445 (TTY: 711), October 1 – March 31, seven days/week, 8 AM – 8 PM, local time; April 1 – September 30, five days/week (M – F), 8 AM – 8 PM, local time.

### In person

If your situation is complicated and you prefer speaking to someone face-to-face, call us to request an appointment.

## Pre-enrollment checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Customer Care representative at 1-833-526-2455 (TTY: 711), October 1 – March 31, seven days/week, 8 AM – 8 PM, local time; April 1 – September 30, five days/week (M – F), 8 AM – 8 PM, local time.

### Understanding the benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit [AetnaMedicare.com/PlanDocuments](https://www.aetna.com/medicare/plandocuments) or call 1-833-526-2445 (TTY: 711) to view a copy of the EOC.
- Review the Pharmacy Directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the Formulary to make sure your drugs are covered.

### Understanding important rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums, and/or copayments/coinsurance may change on January 1, 2025.
- Effect on Current Coverage.** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.

If you want to know more about the coverage and costs of Original Medicare, look in your current “Medicare & You” handbook. View it online at <https://www.medicare.gov> or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, seven days a week. TTY users should call 1-877-486-2048.

# Next steps after enrolling

- Get Started Guide – A guide that introduces the resources, tools and information that will be helpful for new Aetna Medicare members.

# Thank you

For considering Aetna Medicare for your prescription drug plan needs. We believe you will be happier with the services and coverages Aetna provides you.

To join one of our prescription drug plans, you must be entitled to Medicare Part A and/or be enrolled in Medicare Part B, be a United States citizen or be lawfully present in the United States and live in our service area. Our service area includes all 50 states and the District of Columbia.

Plan features and availability may vary by service area.

The formulary and/or pharmacy network may change at any time. You will receive notice when necessary.

SilverScript is a Prescription Drug Plan with a Medicare contract marketed through Aetna Medicare. Enrollment in SilverScript depends on contract renewal.

Aetna and CVS Caremark® are part of the CVS Health® family of companies.

Participating health care providers are independent contractors and are neither agents nor employees of SilverScript. The availability of any particular provider cannot be guaranteed, and provider network composition is subject to change.

This Summary of Benefits doesn't list every service we cover or every limitation or exclusion. To get our full list of services, download a copy of the Evidence of Coverage from our website at [AetnaMedicare.com/PlanDocuments](https://www.aetnamedicare.com/PlanDocuments) or call us and we'll send you a copy. You can find our contact information on the last page of this booklet.

Other pharmacies are available in our network.
