As a member of our plan, you will have access to an online advance care planning resource to create an advance directive where you can combine the elements of a:

- Living will.
- Medical power of attorney.
- Do not attempt resuscitation form.
- Organ donation form.

You can create your own digital care plan and even include video and audio files. If you already have these documents prepared, you can store them and ensure they are shared with your doctors and care providers 24 hours a day, seven days a week. You can add new information at any time as your health status or wishes change.

Hay disponibles servicios de traducción; póngase en contacto con el plan o su agente.

If you need emergency or urgent care, call 911 or go to the nearest doctor or facility that can help you. Most times, you must use doctors in our plan to receive covered medical care, except for emergencies and urgently needed care when doctors in our plan are not available or dialysis services when you are out of the service area. If you receive routine care from doctors outside our plan, neither Medicare nor Anthem Blue Cross and Blue Shield will pay for it.

Anthem Blue Cross and Blue Shield is a D-SNP plan with a Medicare contract and a contract with the Connecticut Medicaid program. Enrollment in Anthem Blue Cross and Blue Shield depends on contract renewal.

Anthem Blue Cross and Blue Shield is the trade name of Anthem Health Plans, Inc., independent licensee of the Blue Cross Blue Shield Association. Anthem is a registered trademark of Anthem Insurance Companies, Inc.

### Why Star Ratings Are Important

Medicare rates plans on their health and drug services.

Star Ratings are based on factors that include:

- Feedback from members about the plan's service and care
- The number of members who left or stayed with the plan
- The number of complaints Medicare got about the plan
- Data from doctors and hospitals that work with the plan

More stars mean a better plan – for example, members may get better care and better, faster customer service.

**The number of stars show how well a plan performs.**

## Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-800-238-1143** TTY: **711**, 8 a.m. to 8 p.m., seven days a week (except Thanksgiving and Christmas) from October 1 through March 31, and Monday to Friday (except holidays) from April 1 through September 30.

### Understanding the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit <https://shop.anthem.com/medicare> or call **1-800-238-1143** to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

### Understanding Important Rules

- Effect on Current Coverage.** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2025.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- This plan is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.
