Prescription Drug Coverage

The following section includes information about what we cover and what you pay during the four “drug payment stages” of our plan’s benefits. The stages are Yearly Deductible, Initial Coverage, Coverage Gap and Catastrophic Coverage. Your cost-sharing may change as you enter another stage of the Part D benefit. For more details, call us (the number is on the cover of this booklet) or see your *Evidence of Coverage*. The *Evidence of Coverage* is also available on our website.

Yearly Deductible Stage: This plan does not have a deductible.

Initial Coverage Stage: During this stage, the plan pays its share of the cost of your drugs, and you pay your share. You stay in this stage until your year-to-date “total drug costs” (your payments plus any Part D plan’s payments) total \$5,030.

Coverage Gap Stage: When you are in the Coverage Gap Stage, the Medicare Coverage Gap Discount Program provides manufacturer discounts on brand name drugs. You pay 25% of the negotiated price and a portion of the dispensing fee for brand name drugs. Both the amount you pay, and the amount discounted by the manufacturer count toward your out-of-pocket costs as if you had paid them and move you through the coverage gap.

You also receive some coverage for Tier 1 and Tier 2 drugs. At a pharmacy with preferred cost-sharing, you pay a \$0 copayment for a 30-day supply of Tier 1 drugs and a \$3 copayment for a 30-day supply of Tier 2 drugs, or no more than 25% of the cost, whichever is less, and the plan pays the rest. At a pharmacy with standard cost-sharing, you pay a \$5 copayment for a 30-day supply of Tier 1 drugs and a \$8 copayment for a 30-day supply of Tier 2 drugs, or no more than 25% of the cost, whichever is less, and the plan pays the rest.

You continue paying these costs until your yearly out-of-pocket payments reach a maximum amount that Medicare has set. Once you reach this amount \$8,000, you leave the Coverage Gap Stage and move to the Catastrophic Coverage Stage. For more information on the additional pharmacy-specific cost-sharing and the stages of the benefit, please call us or access our *Evidence of Coverage* online at www.SCBluesMedAdvantage.com.

Catastrophic Coverage: Beginning in 2024, if you reach the Catastrophic Coverage Stage, you pay nothing for covered Part D drugs.
