\*Some drugs are limited to a 30-day supply.

Once your total yearly drug costs—what is paid both by you and our plan—reach **\$5,030**, the costs of your drugs may go up. Please refer to the Summary of Benefits for more information.

You can get more out of your plan by doing the following:

- **Stay in-network.** You may pay less for your drugs at in-network pharmacies.
- **Consider using your preferred mail order cost-sharing pharmacies.** They typically offer a lower cost-share than standard mail order cost-sharing pharmacies for most drugs (your cost-share for specialty drugs is the same at any in-network pharmacy).
- **Get a 90-day supply of many of the drugs you take all of the time.** You'll get more and may pay less, especially when you fill at a preferred cost-sharing mail order pharmacy.

You won't pay more than **\$35** for a one-month (up to 30-day) supply of each plan-covered insulin product regardless of cost-sharing tier, even if you haven't paid your deductible.

## "Extra Help"

If you receive "Extra Help" for your drugs you will have a **\$0** deductible.

Prior to reaching your annual **\$8,000** out-of-pocket limit you will pay one of the following depending on your level of "Extra Help:"

- **\$4.50** for generic/preferred multi-source drug or biosimilar; **\$11.20** for any other drug; OR
- **\$1.55** for generic/preferred multi-source drug or biosimilar; **\$4.60** for any other drug; OR
- **\$0** for all drugs

After reaching your annual **\$8,000** out-of-pocket limit, you will pay **\$0** for the remainder of the calendar year, regardless of the level of "Extra Help" you receive. Additional information will be available on your LIS rider.
